### ARCHIAS' GUARANTEE

Because we grow and sell large quantities of Seeds, Nursery Stock, etc., we can sell first quality stock at reasonable prices. Everything we ship you must please you. You can test our seed for germination and in any other way you desire. Send a sample, if you like, to the State Laboratories for test. If you are not entirely pleased, return the shipment to us within ten days and we will refund the full amount of the purchase price including the freight, or, replace the seed with another lot that will please you or there is no deal.

Of course, it must be understood that we do not guarantee the crop, as this depends on weather and other conditions over which we have no control, thereby in common with all reliable Seedsmen, we give no warranty as to the productiveness or final results of the crop. Our liability in all instances, is limited to the purchase price of the seed.
